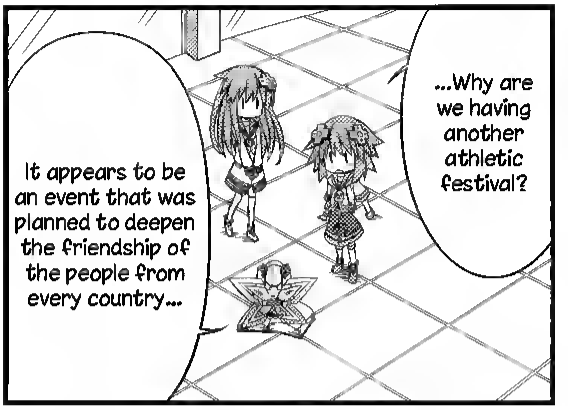
NEPUBIYORI MK2

Good evening, Taka here.
This is my second Nep Nep 4koma.

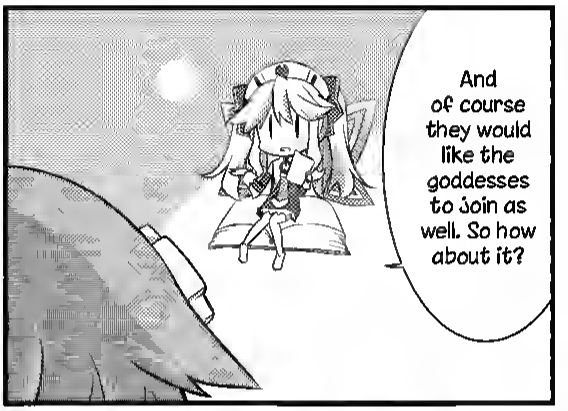
My usual 4komas somehow end up as a strange mix
of funny and erotic,
but fortunately this one looks more tame.

Planeptune's shares are falling as usual.
Hmm...
どよーん
...What should we do,Onee-chan?
I have a great idea!
Got it!
ヤレヤレ
We'll get scolded by Histy again!
What a great escape plan!!
*Earplugs



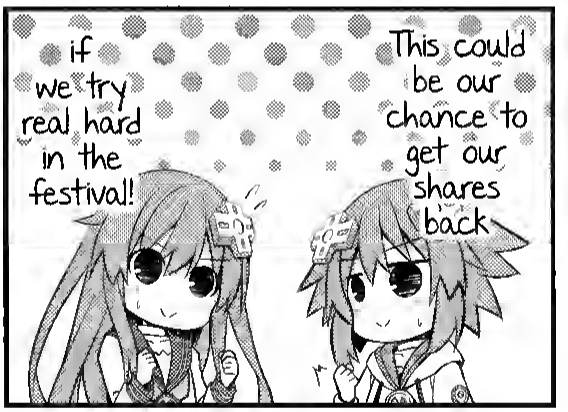
...Why are we having another athletic festival?
It appears to be an event that was planned to deepen the friendship of the people from every country...

There you are, Neptune!
And Nepgear is with you as well!

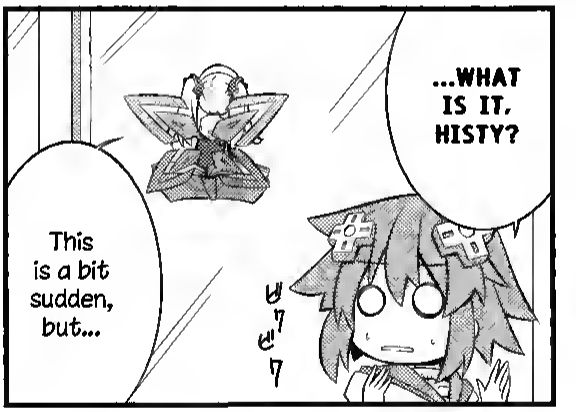


And of course they would like the goddesses to join as well. So how about it?

.....
What are you doing?

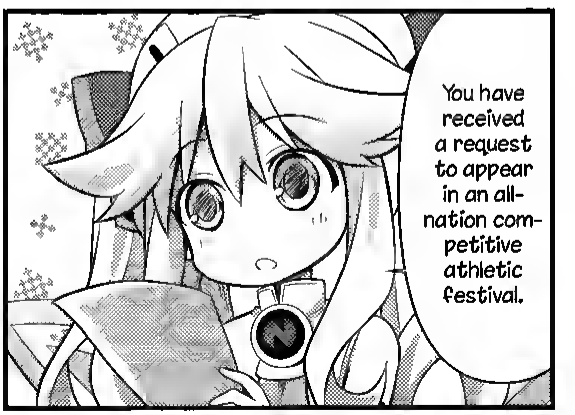


if we try real hard in the festival!
This could be our chance to get our shares back

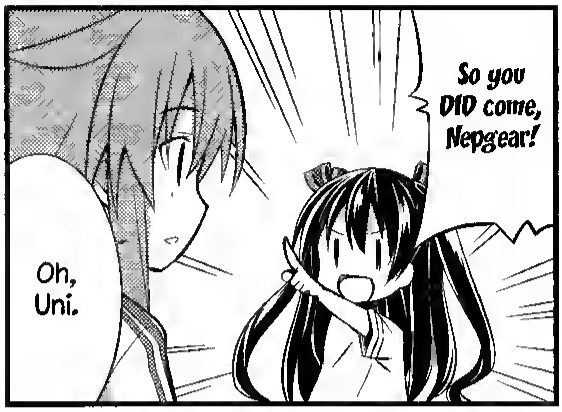


...WHAT IS IT, HISTY?
This is a bit sudden, but...

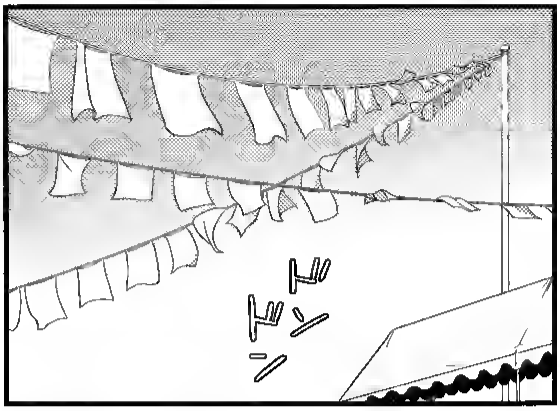
We'll win this thing easy!
Leave it to us, Histy!
Victory!!



You have received a request to appear in an all-nation competitive athletic festival.



So you DID come, Nepgear!
Oh, Uni.



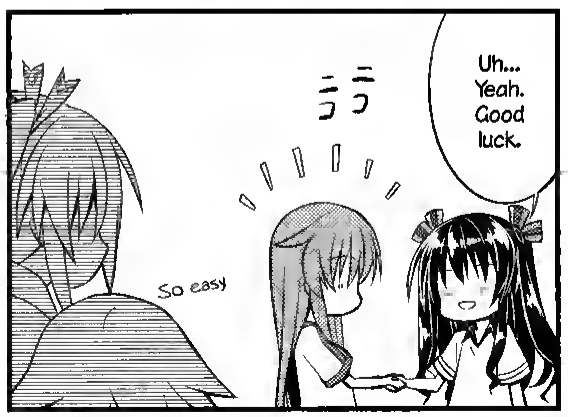
ドドドン

I won't lose to you today!
Lastation will be the champion!!
Planeptune is going down!

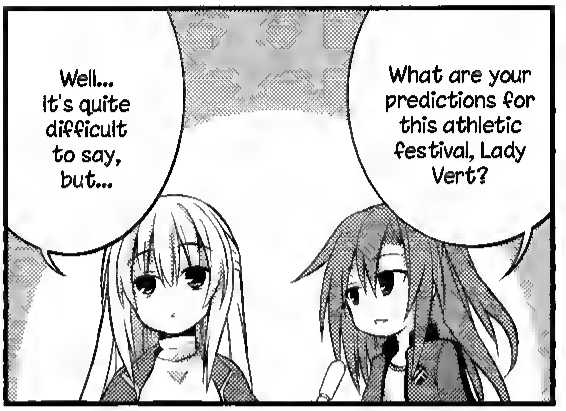
This event is better organized than I expected.
Are the others coming?

Yeah!
Let's both do our best!

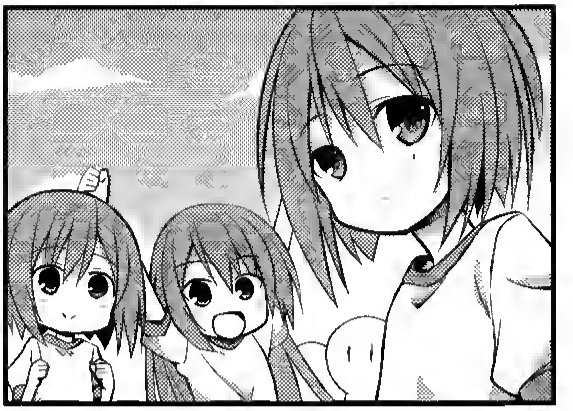
必勝
ドン

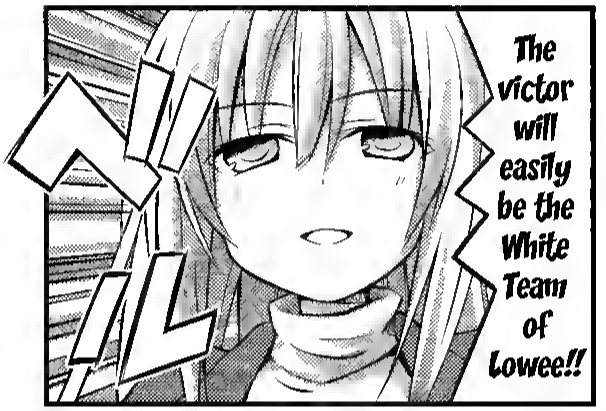


Uh... Yeah. Good luck.
So easy

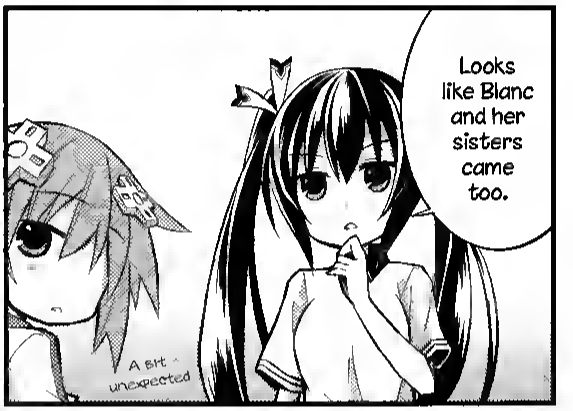


Well... it's quite difficult to say, but...
What are your predictions for this athletic festival, Lady Vert?

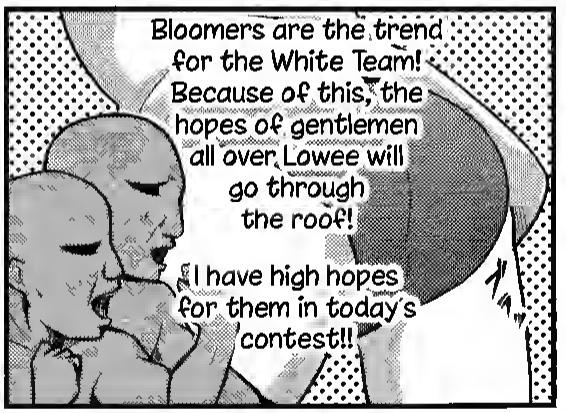




The victor will easily be the White Team of Lowee!!

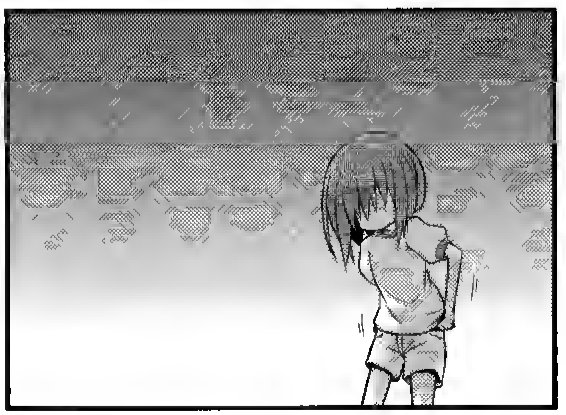


Looks like Blanc and her sisters came too.
A bit unexpected

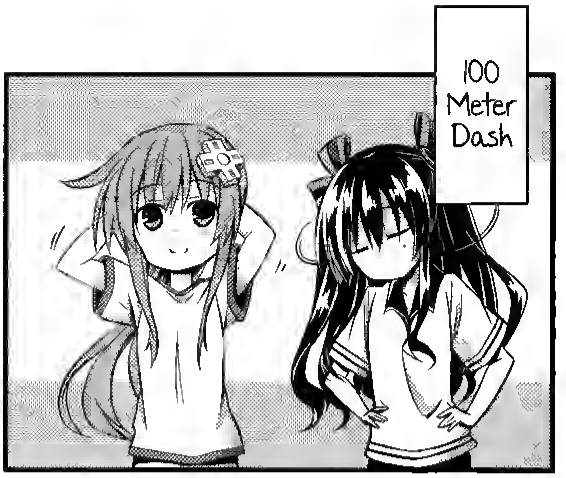


Bloomers are the trend for the White Team! Because of this, the hopes of gentlemen all over Lowee will go through the roof!
I have high hopes for them in today's contest!!

...If Vert joins in then it'll be cosplay again from here and there and every-where!
Don't overdo it, Beru Beru!



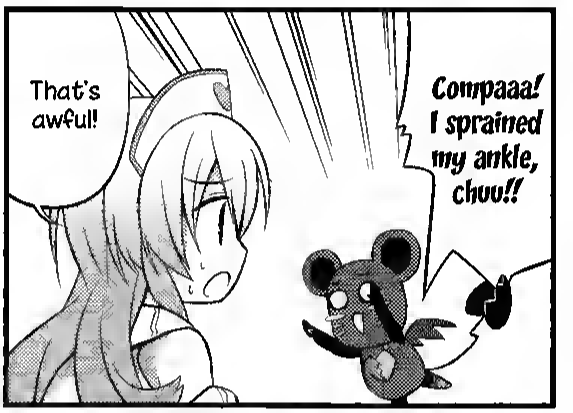
She weaseled out!!
Real time commentary will be done by me, IF, and Lady Vert!



100 Meter Dash

Be careful so you don't get hurt
Nurse Compa

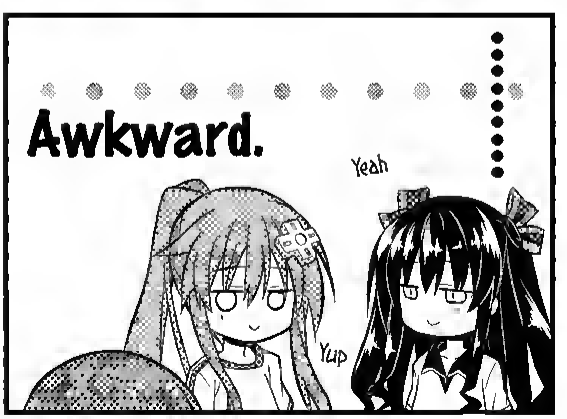
I won't lose, Uni!
Seems like we already have a match.



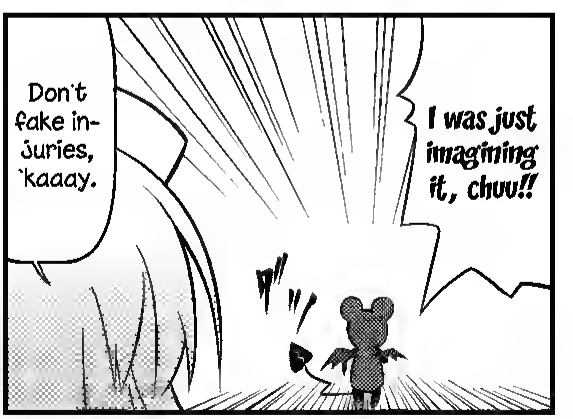
That's awful!
Compaaa! I sprained my ankle, chuu!!

I... Won't lose either!
Let's do our best

I'll give you an injection right away~



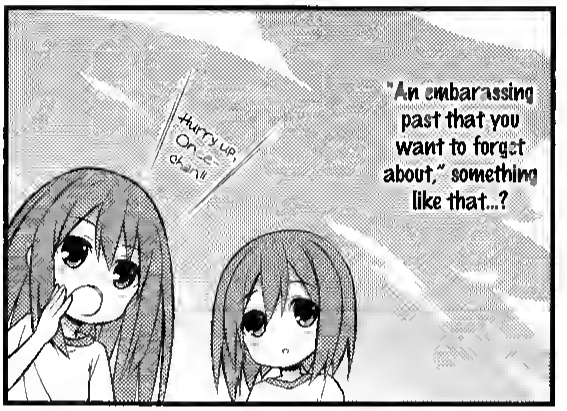
Awkward.
Yeah
Yup



Don't fake injuries, 'kaaay.
I was just imagining it, chuu!!

...Dark past?

Borrowing Race
Eggplant

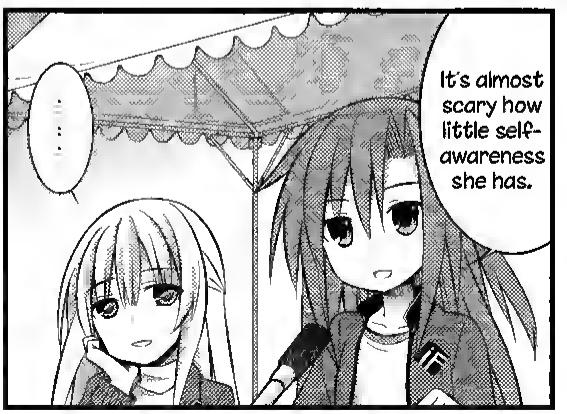


Hurry up. Once again!!
"An embarassing past that you want to forget about," something like that...?

Friend

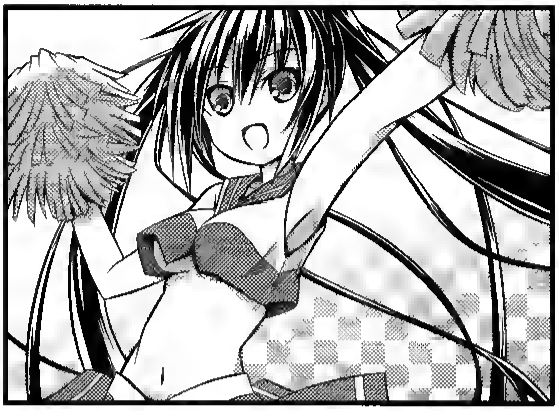
But I don't have anything like that...?
Am I going to lose this event!?

ゴゴゴ



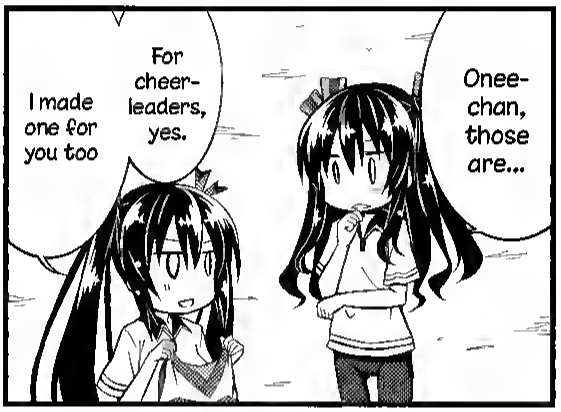
It's almost scary how little self-awareness she has.

Dark Past



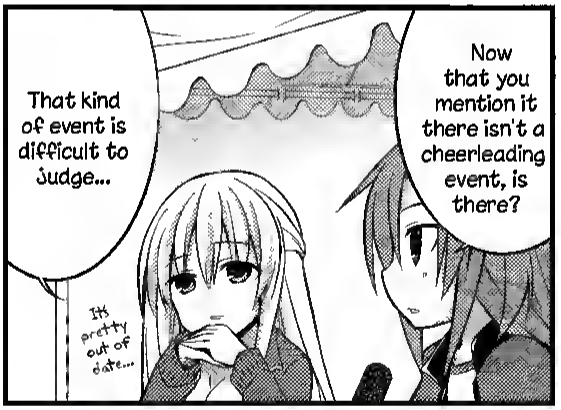
I made some cheer outfits just in case!!
Speaking of athletic festivals, we need cheer squads!

What are you saying, Uni!!
There doesn't seem to be a cheer-leading program, Onee-chan.....

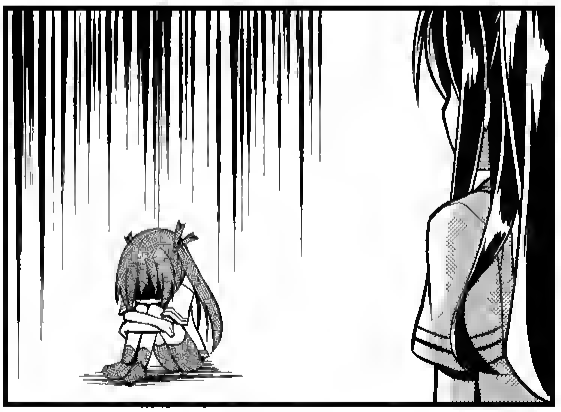


I made one for you too
For cheer-leaders, yes.
Onee-chan, those are...

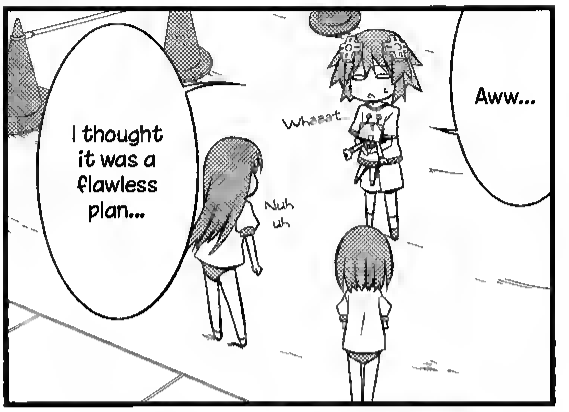
Who cares if we aren't given any points, of course we'll cheer them on regardless!!
Can't you see the citizens of Lastation are doing the best they can!?



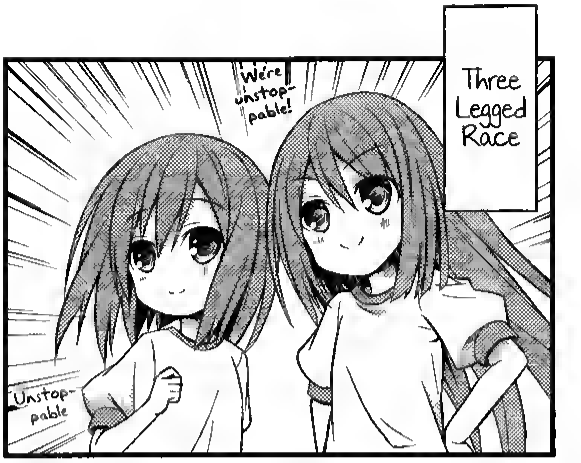
That kind of event is difficult to judge...
Now that you mention it there isn't a cheerleading event, is there?
It's pretty out of date...



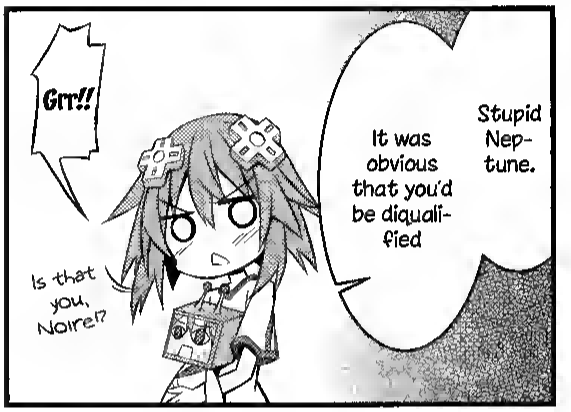
That was fun.
Big Ball Roll
No, I'm here
You said that there weren't enough big balls so I came as a substitute to be rolled around
?



I thought it was a flawless plan...
Wheeze
Nuh uh
Aww...



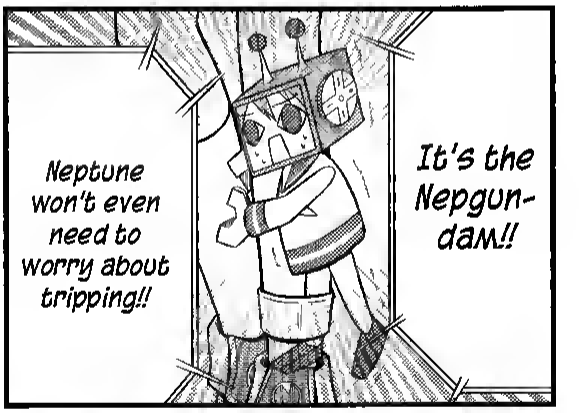
Three Legged Race
We're unstoppable!
Unstoppable



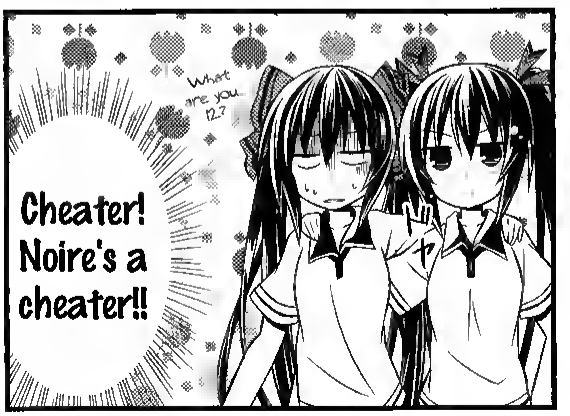
Grr!!
Is that you, Noire!?
It was obvious that you'd be diqualified
Stupid Neptune.

Agreed... The purple team will be pacing them with Neptune and...
The twins will be tough to beat in this event, don't you think?

A three legged race must be hard for someone as lonely as you, Noire!!
Last Resort: Insult the Loner



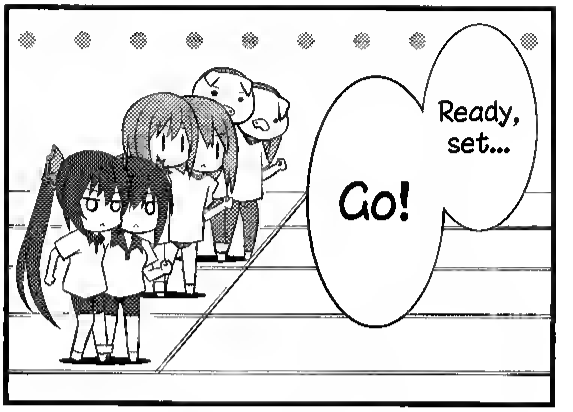
Neptune won't even need to worry about tripping!!
It's the Nepgundam!!



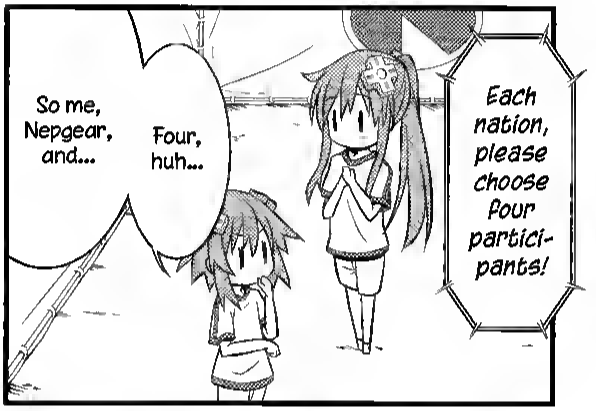
What are you...?
Cheater! Noire's a cheater!!

Nepko disqualified.

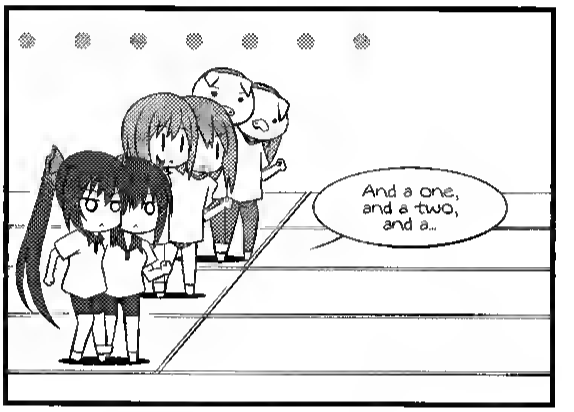
And now for the final event: the Swedish Relay!



Ready, set...
Go!

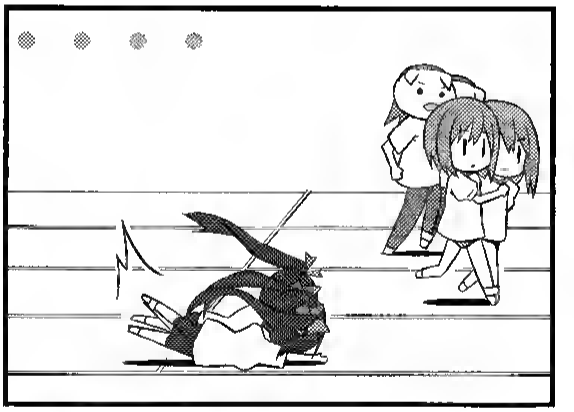


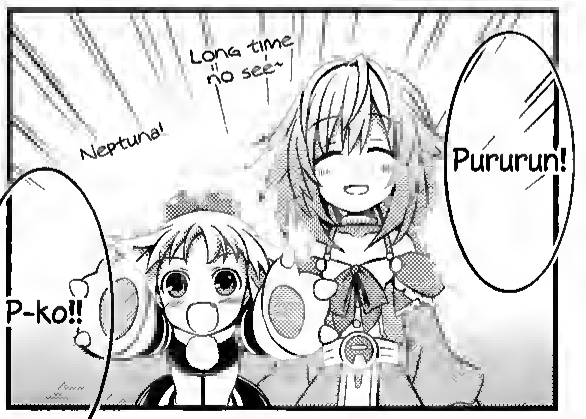
Each nation, please choose four partici-pants!
So me, Nepgear, and...
Four, huh...



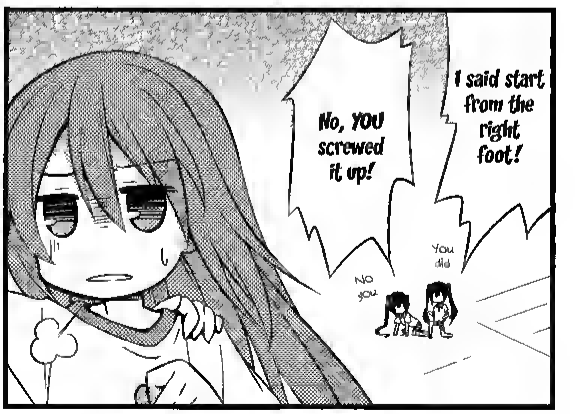
And a one, and a two, and a...

We're here to help~





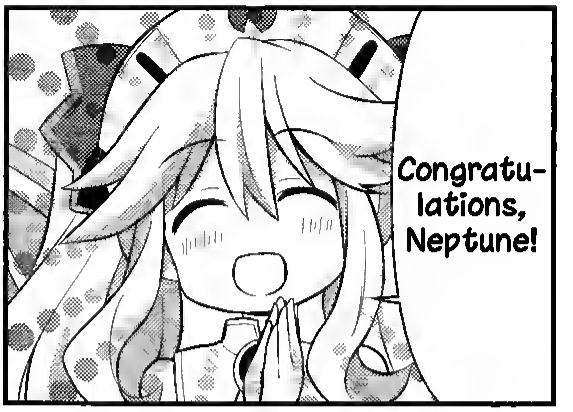
Long time no see~
Neptune!
Pururun!
P-ko!!



I said start from the right foot!
No, YOU screwed it up!
You did
No you

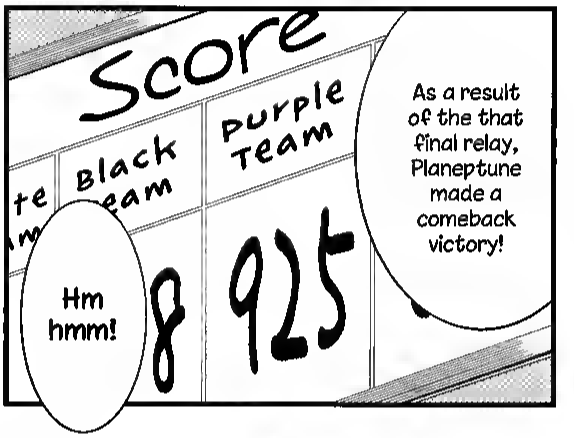
Onee-chan!!
Peashy's fast!
She's used that speed to her advantage and taken the lead!
With this baton that ties us together...
Oh my! Pururut transformed!
This will make it difficult for the other runners to catch up.
I will not lose!!
Planeptune's third runner is Nepgear!
What a smooth baton pass!
Ah, pretty average.
A pace that isn't too slow, but not too fast either. That's Gear for you. What a relief.

NO WAY!
This festival wasn't a quest so it's unrelated to gaining or losing shares.



Congratulations, Neptune!

But we looked so cool out there!!
So did everyone else...

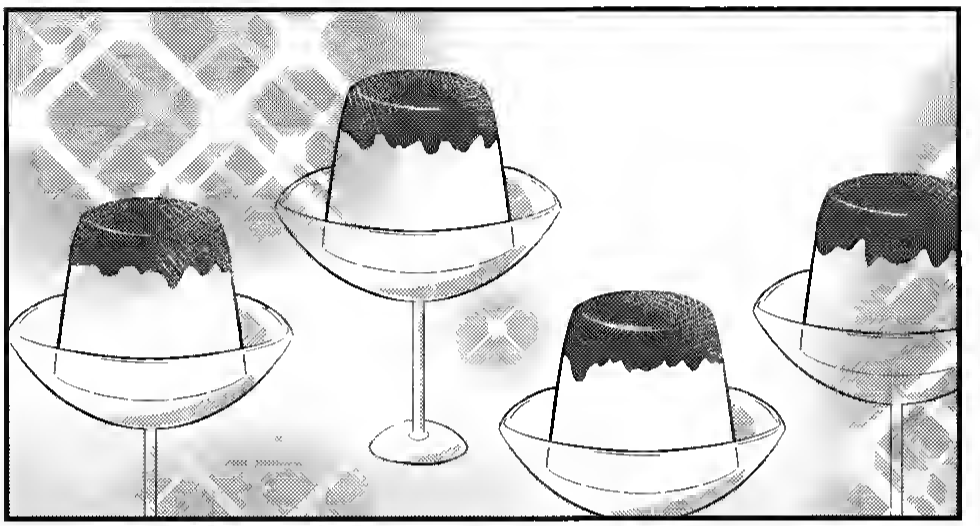


Score
Purple Team
925
As a result of the that final relay, Planeptune made a comeback victory!
Hm hmm!

ドーン
If you want to recover our shares, how about you do your job properly?
Here you go

Nepuuu!
Our shares are gonna be alright for now!

...Hm?



...To commemorate their victory in the athletic festival, everyone received pudding.

I love you, Histy!!
